

SUPER WILDWOOD

REFRACTORY LOG SET FOR HARMONY BURNERS

White Mountain Hearth presents the Super Wildwood refractory log set. Huge, chunky logs with hand painted details will look perfect in even the largest fireboxes. Every aspect of the Super Wildwood from the charred curves to the deep bark is engineered to visually compliment the Vented/Vent-Free Harmony Burner. This remarkably rugged set is available in 24 and 30-inch sizes. Add a Decorative Cast Grate (shown) for the perfect finish.

Scan this QR code with your mobile device to see a video of this log set burning.
