

THE **VAIL 26 SPECIAL** Vent-Free Gas Fireplace System

— The Pinnacle of Efficiency —

The Vail 26 Special Edition is the American-made fireplace system that includes the complete package – fireplace, assembled mantel, Flint Hill log set with 20,000 BTU output, matte black hood, frame and louvers – even glowing embers.

This package system installs in as little as 30 minutes, minimizing labor. The small footprint of just over 17 by 45 inches makes the Vail 26 Special Edition ideal for small rooms.

The Vail 26 Special Edition is available in three mantel colors – nutmeg, black and white. It features a modulating hydraulic thermostat and Millivolt control. The Millivolt system offers a thermostat, remote control, or thermostat remote control.

Accessories include Hammered Pewter trim, blower, Banded Brick lining, and more.

We also offer the Vail 26 as a separate fireplace – perfect for built-in and custom mantel applications. Or choose one of our cabinet or corner cabinet mantels, available in five finishes – cherry, dark oak, nutmeg, oak, and white – plus unfinished hardwood or oak. The 10,000 Btu version may be installed in bedrooms, where allowed by code.

HISTORY & ART COME TOGETHER

Empire Comfort Systems has manufactured safe, reliable heating systems since 1932.

We take pride in our reputation for quality products, backed by the best sales, service, and distribution network in this industry. The White Mountain Hearth Series combines our proven technologies with exceptional artistry and craftsmanship to add beauty and warmth to any home.
