Renegade Clean-Face Direct-Vent Fireplace  
WITH TRUFLAME TECHNOLOGY

Renegade 40-inch  
Clean-Face Fireplace  
with Black Porcelain Liner

## RENEGADE CLEAN-FACE Direct-Vent Fireplace

Available in 36-inch and 40-inch models, the Renegade features a dual burner that creates a tall lively fire, accented with your choice of the Traditional Charred or the Driftwood log set, and large glowing ember bed. The huge ceramic glass front allows heat to easily transfer in to your living space and provides a clear view of the fire.

While the Renegade is a visually stunning fireplace, what you can't see makes it even more impressive. TruFlame Technology – featuring a ceramic catalyst – minimizes emissions while maximizing heat efficiency. This results in the most realistic flames, reminiscent of a wood burning fire.

An external air control eliminates the guesswork during setup and allows your dealer to fine tune the flame, ensuring a beautiful fire.
